A photograph of numerous national flags flying from tall poles in a row. The flags include those of the United States, Spain, Norway, Sweden, and many others. In the background, a city skyline with several tall buildings is visible under a clear sky. The foreground shows a snow-covered ledge. A large, semi-transparent grey banner is overlaid diagonally across the center of the image, containing the text in red.

**WHAT DOES IT
MEAN TO BE
A GOOD CITIZEN?**

A large, stylized globe with blue oceans and green continents is the central focus. A chain of approximately 20 diverse children, representing various ethnicities and ages, are holding hands in a circle around the globe. The children are wearing colorful clothing and some have unique features like star-shaped heads or different hairstyles. The background is a solid grey color.

*What does it
mean to be a
good citizen
of the world?*

The background of the image is a globe made up of a grid of many small, square portraits of people from various ethnicities and ages. In the center of the globe is a sphere covered in binary code (0s and 1s).
